Shall the Marshall Area Fire Fighters Ambulance Authority be authorized to levy a new additional millage on taxable property within the Authority, not to exceed the annual rate of .20 mills (\$.20 on each \$1,000.00 of taxable valuation), for a period of 10 years, 2017 through 2026, inclusive, for the purpose of funding replacement ambulances, cardiac monitors, ambulance cots, and other capital equipment? These funds will not be used for operations or payroll. The estimated amount of revenue that will be collected by the Authority in the first year that the millage is authorized and levied is \$155,290.00.

The polls of said election will be open at 7 o'clock am and will remain open until 8 o'clock pm of Election Day.
