

To Whom it May Concern,

I, Tom Lowe, of 827 Irwin Ave, Albion, MI. hereby request the cancellation of my petition to recall Sonya Brown as Ward 3 City Council member. After meeting with her and hearing her explanation of her actions in the evaluation of the City Manager, I am satisfied that she didn't collude with Garrett Brown. In addition, I don't believe she acted inappropriately or used her position to take out any personal vendetta against the City Manager.
